Construction of a new Development Centre

Turning Early years Scars into STARS

Finally the moment we have all been working hard towards has come: The construction of a new spacious and own development centre. Little Rock has since its existence been on a long march to achieve the goal of having its own development centre.

Why a new centre?

Since its inception Little Rock has experienced a huge influx on children, of which it is our delight for the increase but unfortunately the space to accommodate the increase of these future STARS has been our undoing.

Dear supporters of Little Rock, we are very happy to take this opportunity to ask for your support in the “Buy a brick” campaign. Our target is 20,000 bricks.

How to participate:

1. Individuals: A brick @Ksh.3,000

2. Groups - Minimum 5 bricks @ Ksh.15,000

3. N.G.O.s - Minimum 30 bricks @ Ksh.90,000

4. Corporate - Minimum 50 bricks @ Ksh.150,000

Our Mission Statement

Provide all vulnerable children with the best startup in life by promoting their total development in a flexible all inclusive learning environment.
